The Organic Farm Café

Our chefs take you on a culinary journey inspired by the local flavors and surroundings. Our menus creatively blend regional Rajasthani and pan-Indian cuisine with international influences while prioritizing the use of local, fresh, and seasonal ingredients. We are dedicated to sourcing from our organic gardens and nearby farmers for the finest produce. To enhance our dishes, we have even invested in our own spice grinding machine, ensuring an authentic and aromatic dining experience in seven lines of delicious delight. Additionally, we pride ourselves on using cold-pressed atta (flour) and oil, further elevating our commitment to providing you with a wholesome and exceptional dining experience.
